SOUNDS OF CONEJO

Welcome to the 2022 Sounds of Conejo Marching Band Festival.

Tonight is the beginning of the 2022 Marching Band Performance Season. We welcome all involved... Band Directors, staff, performers and boosters from each of the 11 bands performing tonight. We would like to welcome El Camino Real Charter High School tonight as it is their first SOC appearance.

We not only celebrate the Art of Marching Band, but we celebrate each band member's individual journey for performance excellence. It doesn't matter what color they are wearing, their performance instrument or equipment, or even their age, we are eager to applaud EVERY STUDENT from all schools as they are performing their best for us tonight.

John Wooden said, "**Success is peace of mind which is a direct result of self-satisfaction in knowing you did your best to become the best you are capable of becoming.**" This is a motto that we use every day in this activity. Please help share that ideal and stand and applaud EVERY BAND as they end their performance this evening.

In conclusion, something that makes our show tonight EXTRA SPECIAL is the GRAND FINALE, where colors of each school disappear into a rainbow of high school performers joining ranks to stir an emotional response for not only you but for every performing member. I guarantee that you will not see this at any other band show this season!

Thanks for your support of each and every band program and school! AND a Special THANK YOU to the Thousand Oaks High School Choral Department, under the direction of Janna Santangelo, for performing tonight's Nation Anthem.

ENJOY THE SHOW!

Marty Martone
Director of Bands
Thousand Oaks High School
