Introduction

Welcome to the 2023 Sounds of Conejo Marching Band Exhibition!

Tonight, is the beginning of the 2023 Marching Band Performance Season. Thousand Oaks High School would like to welcome all involved... Band Directors, Staff, Students, and Music Boosters from each of the 11 bands performing tonight. We would like to especially welcome Ventura High School tonight as it is their first appearance at Sounds of Conejo.

At this event we not only celebrate the Marching Arts, but we celebrate each band member's individual journey for performance excellence. While students of all ages might be wearing a different uniform, or carrying a different instrument or piece of equipment, we are excited to promote and uplift EVERY STUDENT from all schools as they perform their best tonight.

Please join us in celebrating the culmination of effort put forth by each school's marching band staff and students by applauding EVERY BAND as they end their performance this evening. Historically, the Sounds of Conejo has been a favorite performance of our local area schools because of the overwhelming support experienced by each other.

In conclusion, something that makes our show tonight EXTRA SPECIAL is the GRAND FINALE, where colors of each school disappear into a collage of high school performers joining ranks to stir an emotional response for not only you but for every performing member. I guarantee that you will not see this at any other band competition or show this season!

On behalf of the Thousand Oaks High School Lancer Band, we thank you for your support of each and every band program and school tonight! I would like to extend a special THANK YOU and welcome to the Los Cerritos Middle School Band, under the direction of Michael Freed, for performing tonight's National Anthem.

ENJOY THE SHOW!

James Rumenapp
Director of Bands
Thousand Oaks High School
