

Thousand Oaks Lancer Band Sponsorship Opportunity

Dear Community Partner:

Thousand Oaks High School Lancer Band is hosting the **Sounds of Conejo** exhibition and the **Marching Band Open Series** competition on October 3, 2015 and October 17, 2015, respectively.

We are seeking sponsors and advertisers for the full-color programs. Sponsorship opportunities range from \$30 to \$750, per the attached application. Donation acknowledgements and advertisements will appear in both programs.

Though there are many benefits this opportunity provides to Community Partners, the donations received enrich the lives of the 150+ young musicians TOHS Booster Club supports. In order to maintain this comprehensive band program, we rely on donations from Community Partners, like you.

The TOHS Lancer Band is an award winning marching and concert band with invitations to perform in "The President's Cup" National High School Concert Band Festival 2015 in Washington, D.C. and what will be the first annual New Year's Day Parade 2016 in Paris, France! This group of hard working, enthusiastic, and talented teens proudly represents our wonderful, tight-knit community across the region, the nation, and soon the world!

Be a part of this award-winning team. Join us as a Community Partner today!

Sincerely,

Michael Harris
TOHS Band Booster Club, Ways & Means Chair
