

## **Additional Rome Questions from February 8, 2007**

### **"What is the land only portion of the trip?"**

Land Only cost: \$1740 p/p. This program begins and ends at the hotel in Rome. Once at the hotel the 'land only' passenger(s) will have the same services and do all the same things as the band. Obviously they get themselves to Rome. They do not get airport transfers in Rome.

### **"Will the band perform if it is raining?"**

Rain or shine the show goes on - with a smile of course. Could be cool @40F. Could also be 55F!!!!

Convert C to F - double the C and add 30 EX:  $5C = 40F (5+5+30)$  While not completely scientific it is really quite accurate.
