Re: T.O.H.S. Band Performance in ROME, ITALY
December 27, 2007-January 4, 2008

Dear Future and Current Band Parent,

The Thousand Oaks High School Lancer Band has been invited to be one of the first High School Bands from the United States to participate in the New Years Day Parade in Rome Italy. The trip is *optional* to any band student who is a member of the program in the 07-08 School Year. The invitation is also extended to the band students from the graduating class of 07.

This invitation comes from Robert Bone, President, Youth Music of the World, after seeing the band perform at the Riverside Community College Marching Band Contest in November of 2006.

Please find attached a 16-page document containing information of the trip, outlining our activities while we are in Rome. This document is full of specific information of the packaged trip.

Performing students, chaperones, parents, and families are all welcome.

This topic will be one of many that will be discussed at the next booster meeting, February 8th at 7:30 PM.

Please also find the invitation for our upcoming Charity Gala on February 9th at the Sherwood Country Club. It is a great evening of entertainment, dinner, dancing and Silent Auction. Please join us and invite or bring your friends.

If you have question concerning the Rome Trip, please join us at the February 8th meeting.

Thanks so much,

Mr. Martone
Director of Bands
