By my signature and the signature my parent/guardian, I understand that we will be making the following financial payments on or before each due date to assure my place on the Thousand Oaks High School Band Trip to Rome, December 27, 2007 – January 4, 2008. This trip is an optional trip and its expense is above and beyond the expenses for the Fall 2007 Marching Band Season. Student traveling must be a current band member, in good standing, of the TOHS Band Program. Alumni Band Members of the class of 2007 are also eligible to participate.

If the trip is cancelled due to instrumentation or lack of participants, the \$150 (March 15th) deposit will be refunded to all prospective travelers.

If it is determined that the number of participants and instrumentation will make for a successful musical experience, the \$150 (March 15th) deposit and all other payments will be applied to the trip. If any payment is not made on time, according to the outline below, the traveler will be dropped from the trip with no refund of payments already made.

Travelers may possibly be added up to the September 1st due date, but must pay in full the balance due at that time.
